E911 Staff

1. Engineering & survey companies are required to have all new subdivisions approved through the Sumner County Emergency Communications District (NG911).

2. It is the sole responsibility of each company to supply NG911 with a final master plan and preliminary plats for each phase before submitting for final approval.

3. All requests must be made in writing or through the portal.

4. All approved street/road names will be valid for 2 years.

5. Email this completed form along with the plat(s) to ecd@sumnercountyttn.gov.

6. Please allow up to 10 business days for processing.
